To Whom It May Concern:

It is my pleasure to recommend Jump City USA, LLC for your inflatable rides needs.

Jump City USA, LLC was hired to provide all the inflatable units for the 2008 City of Warrensville Heights Summer Festival. This company provided outstanding service by arriving on time, exhibiting a great deal of professionalism, having all the necessary equipment, and providing great entertainment for the children until the end of the festival each day. The Mayor and staff members were pleased with the service and entertainment provided by Jump City USA, LLC. Many residents expressed their satisfaction with the festival via phone calls to our office and during the city council meetings, in large part to the excellent service provided by Jump City USA, LLC.

I look forward to working with Jump City USA, LLC again and hope you will include this highly qualified company in your up and coming events.

Best regards,
